Education – New for 2012, there are two categories.

Teach Class--Actual hours spent in preparation and conducting educational clinics, seminars, classes, and LNT Training. (This entry assists the agencies in meeting their requirements for educational activities.) This is planners, instructors and presenters.

Attend Class-- This is for reporting member attendance at educational clinics, seminars, classes, and LNT Training.

Type of Projects to Report:

Clinic/Seminar: This is considered a class that lasts at least one full day (**minimal**) or could be spread out over several half-day gatherings. (**Separate Teaching Class from Attending Class**)

Parades: Did you have signage identifying you as BCHC or have a dialog written up for the loud speakers which included **“we promote GU/LNT principles”?** (**Separate Teaching Class from Attending Class**)

Playdays: Did you have available or include safety tips before riding, handouts, flyers, old newsletters, maybe a quick class on saddle care and safety, etc. (**Educational time only**) (**Separate Teaching Class from Attending Class**)

Trail rides: Did you have available or include safety tips before riding, handouts, flyers, old newsletters, maybe a quick class on saddle care and safety, etc. (**Educational time only**) (**Separate Teaching Class from Attending Class**)

Fairs: Did you provide information about BCHC, flyers, how to join, personable individual to visit with folks, a map of area where people can visit to hike, fish, ride? (**Educational time only**) (**Separate Teaching Class from Attending Class**)

Articles for Newsletters or Newspapers: Did you write any information for the state newsletter, unit newsletter, local clubs, etc. Information means: historical, local, state, pack trip, etc. (**Educational time only**)

Publisher of Unit Newsletters: Your Unit Newsletter is a great education tool. Count the number published in a year and be sure to keep track of how many trips to town and hours it took to create and do mailings. (**Educational time only**)

Meetings: Educational events or that portion that is relative to education at Unit Broad

Meetings, General Meetings and State Meetings. **(Educational time only) (Separate Teaching Class from Attending Class)**

Trail Trials: Did you offer this event with opportunity for riders to prepare their animals for obstacles they may encounter on any trail, a safe way to do so and suggestions to encourage a safe ride. **(Educational time only) (Separate Teaching Class from Attending Class)**

Presentations: A presentation is a 15-minute (minimum) talk that includes props. These can be given at Rendezvous, play days, rides, unit meetings, etc. **(Educational time only) (Separate Teaching Class from Attending Class)**

Rendezvous: Unit organization of specific part of Rendezvous: art show, registration, vendor building, program, etc. **(Educational time only) (Separate Teaching Class from Attending Class)**

Pack Trip: Helping others begin their life adventures enjoying the backcountry. Hands-on experience with all GU/LNT principles. Many of the units offer a Novice Pack Trip or an individual may take a group in and be teaching everyday. **(Educational portion of pack trip) (Separate Teaching Class from Attending Class)**

Wilderness Rider(s): W/Rs need to fill out the own report book. They should also include skilled labor, personal vehicle and stock hauling miles, trail work, power equipment hours, use of heavy equipment, animals used and number of stock days. All hours entered on W/R sheets will **Automatically** go on W/R Summary and Unit Summary Sheets. Only one entry is necessary **(Educational time only) (Separate Teaching Class from Attending Class)**
