

PACKING 101 – THE BASICS ON IRON MULES.

This is a hands on class and space is limited. The amount of students will be limited to the number of instructors and iron mules available.

We will cover:

1. Basic equipment needs.
2. Preparation.
3. Importance of balancing loads
4. Checking the pack saddle, animal, etc. before loading
5. Safety around the stock
6. Working in tandem
7. Two basic knots: The box hitch and Single Diamond

The class is free and is based on a first come first serve basis. If we are not able to accommodate you for the hands on portion you are encouraged to stay on and watch. The iron mules will be available from time to time with instructors throughout the day also.

PACKING 101 – THE BASICS ON LIVE STOCK.

This class is also hands on but space is more limited. The class will cover the same items as above except you will work on live stock.

**ALL ITEMS INCLUDING STOCK WILL BE PROVIDED BY BCHC. JUST BRING YOURSELF
AND HOPEFULLY A FRIEND.**
